To Whom It May Concern:

It is my pleasure to be a personal and professional reference for Virginia Culp. I have known her for many years. Not only has she become a valued and trusted friend, I am extremely proud to have such a caring, motivated and reliable individual in my life.

Virginia is organized, efficient, extremely competent, and has an excellent rapport with people of all ages. Her communication skills, both written and verbal, are excellent. Her knowledge and attention to detail is innate to her and a blessing to those she is around. Virginia supported me in packing, cleaning and doing research that facilitated my major life change from living in South Orange County, California to relocating to the Pacific Northwest. She assisted with packing, cleaning and, probably most importantly, in providing the emotional support to promote what I believed would be a positive, yet stressful, life change. (I am extremely happy with my transition and thankful for all encouragement that helped in this new phase of my life.)

In summary, I highly recommend Virginia for the trusted position/endeavor of providing housecleaning and personal assistance services to you and your loved ones. You can trust her in your home if you are not in the residence and yet you will be as comfortable if she is in your presence. She has a sweet and witty temperament that all around her enjoy and I am confident these personality traits will continue to serve her well in the personal assisting/companionship aspect of her business.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Ginger S.
