*Ask
Virginia...*

Many of you in the CAPS Community ask excellent questions. I answered a client's question below...

Question:

Do professional cleaners move a lot of knick-knacks and books from shelves, when they are dusting?

Virginia's Answer:

Quality professional cleaners will remove some of your items when they are dusting and/or wiping. They will dust underneath those items. However, they will not be able to remove 100% of your books, knick-knacks, and fragile items, etc. from "every" surface area. If you have many items on your shelves and counter-tops. It is best to remove them before the cleaners arrive.

CAPS will dust along with lightly wet-wiping over some items in order to clean them well, especially in the bathrooms and kitchen areas. We like to create inviting kitchens and bathrooms that shine, as these are often neglected areas in the home.

The Holidays are Just Around the Corner... Are You Ready?

The holidays are so much fun... But they can be exhausting, too.

I remember cooking for days, cleaning, shopping, decorating, and wrapping gifts, etc. before a holiday celebration. I would then enjoy hosting my friends and family on that special day. Everything would go well, as I had planned everything just right. But it was a lot of preparation time for a few hours of fun.

If this sounds like you, and you would like to spend less time cleaning and more time enjoying the holidays, give CAPS a call. We can clean your house or office before your guests arrive. And we can get your home or office back to being clean again, for you to enjoy.

Spend less of your valuable time preparing for your special celebration, and spend more time with your important holiday guests.

From Virginia's Kitchen...

Recipe: Lemon Ricotta Pancakes

Well, the ricotta cheese in this recipe helps the pancakes to be more moist than usual, which is exactly how I like them. The lemon zest makes for the perfect combination of moist, pancakes with a spunky, colorful personality. After cooking them, you can dust them lightly with confectioner's sugar, for a change. Also, you can add a squeeze of lemon juice along with extra lemon zest, if you would like. Enjoy!

Ingredients:

2 cups instant complete pancake mix (Aunt Jemima Complete Pancake Mix, the kind you add water to)

1 cup ricotta cheese
1-1/2 to 2 cups milk (amount depends on how thick you want your pancakes)

2 tsp. sugar
1 Tbsp. grated lemon zest

Preparation:

- 1) Whisk all ingredients together in a medium bowl.
- 2) On a hot griddle, pour out 1/4 cupful of the mixture to make 4-inch pancakes.
- 3) Cook on both sides.

Servings: 12 4-inch pancakes
